PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Please amend the above captioned application as follows:

In the Claims:

Please cancel claims 1-20 without prejudice and add the following new claims 21-40.

21. A method of enabling the designation a picture file on a cellular telephone, said method comprising the steps of:

receiving said picture file at said cellular telephone;
displaying said picture file on a display of said cellular telephone; and
providing a selection option associated with said picture file when said picture file is displayed on said cellular telephone.

22. The method of claim 21 wherein said step of receiving said picture file at said cellular telephone comprises receiving said picture file by way of a wireless link of a telecommunications network.
